
BEHIND THE CLEAN · FIELD NOTE 28

Book with fewer surprises.

A good booking starts with accurate space, condition, and access information. This helps the team plan the visit and keeps expectations aligned with the selected service.

THE USEFUL DETAILS ARE NOT ALWAYS THE OBVIOUS ONES. · EDITORIAL PHOTOGRAPHY

Three deliberate steps.

01 Describe the space honestly

Confirm rooms, approximate size, pets, and relevant condition. Mention special materials and anything needing an assessment.

02 Choose the actual scope

Review what the selected clean includes. Add appliance interiors or other extras only when needed and available; do not assume every deep clean includes everything.

03 Review before confirming

Check the date, arrival information, payment terms, and current cancellation policy. Send access details through the approved private channel.

Clear inputs make a better cleaning plan.

Always follow the surface maker's care instructions and product label. Never mix cleaning products. This guide is for ordinary household care, not hazardous-material remediation. Product-specific instructions take priority.
